

A shepherd's tale

A shepherd was herding his flock in a remote pasture when suddenly a brand-new BMW advanced out of the dust cloud towards him. The driver, a young man in a Broni suit, Gucci shoes, Ray Ban sunglasses and YSL tie, leaned out the window and asked the shepherd,.....

"If I tell you exactly how many sheep you have in your flock, will you give me one?"

The shepherd looked at the man, obviously a yuppie, then looked at his peacefully-grazing flock and calmly answered, "Sure."

The yuppie parked his car, whipped out his IBM Thinkpad and connected it to a cell phone, then he surfed to a NASA page on the internet where he called up a GPS satellite navigation system, scanned the area, and then opened up a database and an Excel spreadsheet with complex formulas.

He sent an email on his Blackberry and, after a few minutes, received a response. Finally, he prints out a 130 page report on his miniaturized printer then turns to the shepherd and says,.....

"You have exactly 1586 sheep".

"That is correct; take one of the sheep" said the shephard.

He watches the young man select one of the animals and bundle it into his car.

Then the shephard says: "If I can tell you exactly what your business is, will you give me back my animal? "

"OK, why not" answered the young man.

"Clearly, you are a consultant" said the shepherd.

"That's correct" says the yuppie, "but how did you guess that?"

"No guessing required" answers the shephard. "You turned up here although nobody called you. You want to get paid for an answer I already knew, to a question I never asked, and you know absolutely nothing about my business....

Now give me back my Dog".

A Full Life

A boat is docked in a tiny Mexican village. An American tourist is complimenting a Mexican fisherman on the quality of his fish and asks how long it takes him to catch them.

"Not very long," answered the Mexican.

"But then, why didn't you stay out longer and catch more?" asked the American.

The Mexican explained that his small catch was sufficient to meet his needs and those of his family.

The American asked, "But what do you do with the rest of your time?"

"I sleep late, fish a little, play with my children, and take a siesta with my wife. In the evenings, I go into the village to see my friends, have a few drinks, play the guitar, and sing a few songs. I have a full life."

The American interrupted, "I have an MBA from Harvard and I can help you. You should start by fishing longer every day. You can then sell the extra fish you catch. Then, with the extra revenue, you can buy a bigger boat. With the extra money the larger boat will bring, you can buy a second one and a third one and so on until you have an entire fleet of trawlers. Also, instead of selling your fish to a middle man, you can negotiate directly with the processing

plants and maybe even open your own plant. You can then leave this little village and move to Mexico City, Los Angeles, or even New York City! From there you can direct your huge and successful enterprise."

"How long would that take?" asked the Mexican.

"Twenty, perhaps twenty five years, at the most" replied the American.

"And after that?"

"Afterwards? That's when it gets really interesting," answered the American, laughing. "When your business gets really big, you can start selling stocks and make millions!"

"Millions? Really? And after that?"

"After that you'll be able to retire, live in a tiny village near the coast, sleep late, play with your children, catch a few fish, take a siesta with your wife, and spend your evenings drinking and playing the guitar with your friends!"

Joke of the day

As I lay on my bed, thinking about you, I feel this strong urge to grab you and squeeze you, because I can't forget last night.

You came to me unexpectedly during the balmy and calm night, and what happened in my bed still leaves a tingling sensation in me.

You appeared from nowhere and shamelessly without any reservations, you laid on my naked body...you sensed my indifference, so you applied your hungry mouth to me without any guilt or humiliation, and you drove me near crazy while you drained me.

Finally I went to sleep. Today when I woke up, you were gone, I searched for you but to no avail, only the sheets bore witness to last night's events.

My body still bears faint marks of your enthusiastic ravishing, making it harder to forget you. Tonight I will remain awake waiting for you..... you bloody mosquito.

You truly are a kind man." The man then replies: "Yeah, well we were married 35 years."

When NASA first started sending up astronauts, they quickly discovered that ballpoint pens would not work in zero gravity. To combat the problem, NASA scientists spent a decade and

\$12 billion to develop a pen that writes in zero gravity, upside down, underwater, on almost any surface including glass and at temperatures ranging from below freezing to 300 C. The Russians used a pencil.

This woman rushed to see her doctor, looking very much worried and all strung out. She rattles off: "Doctor, take a look at me. When I woke up this morning, I looked at myself in the mirror and saw my hair all wiry and frazzled up, my skin was all wrinkled and pasty, my eyes were bloodshot and bugging out, and I had this corpse-like look on my face! What's WRONG with me, Doctor!?"

The doctor looks her over for a couple of minutes, then calmly says: "Well, I can tell you that there ain't nothing wrong with your eyesight...."

A general noticed one of his soldiers behaving oddly. The soldier would pick up any piece of paper he found, frown and say: "That's not it" and put it down again. This went on for some time, until the general arranged to have the soldier psychologically tested. The psychologist concluded that the soldier was deranged, and wrote out his discharge from the army. The soldier picked it up, smiled and said: "That's it."

Sherlock Holmes

Sherlock Holmes and Dr Watson go on a camping trip. After a good dinner and a bottle of wine, they retire for the night, and go to sleep.

Some hours later, Holmes wakes up and nudges his faithful friend. "Watson, look up at the sky and tell me what you see."

"I see millions and millions of stars, Holmes" replies Watson.

"And what do you deduce from that?"

Watson ponders for a minute.

"Well, astronomically, it tells me that there are millions of galaxies and potentially billions of planets. Astrologically, I observe that Saturn is in Leo. Horologically, I deduce that the time is approximately a quarter past three. Meteorologically, I suspect that we will have a beautiful day tomorrow. Theologically, I can see that God is all powerful, and that we are a small and insignificant part of the universe. What does it tell you, Holmes?"

Holmes is silent for a moment. "Watson, you idiot!" he says. "Someone has stolen our tent!"

A man will pay \$2 for a \$1 item he needs.

"For HEAVEN'S SAKE, Dad, don't dig up the garden! That's where I buried the GUNS!"

At 4 A.M. the next morning, a dozen FBI agents and local police officers showed up and dug up the entire garden without finding any guns. Confused, the old man wrote another note to his son telling him what happened, and asking him what to do next.

His son's reply was, "Go ahead and plant your potatoes, Dad. It's the best I could do for you at this time."

How to Bath a Cat

Dear Cat Owner,

Following are instructions on the best way to bathe your cat:

1. Thoroughly clean the toilet.
2. Add the required amount of shampoo to the toilet water, and have both lids lifted.
3. Obtain the cat and soothe him while you carry him towards the bathroom.
4. In one smooth movement, put the cat in the toilet and close both lids (you may need to stand on the lid so that he cannot escape). CAUTION: Don't get any part of your body too close to the edge, as his paws will be reaching out to grab anything they can find. The cat will self-agitate and make ample suds. Never mind the noises that come from your toilet, the cat is actually enjoying this.
5. Flush the toilet 3 or 4 times. This provides a 'powerwash and rinse' which I have found to be quite effective.
6. Have someone open the door to the outside and ensure that there are no people between the toilet and the outside door.
7. Stand behind the toilet as far as you can, and quickly lift both lids.
8. The now-clean cat will rocket out of the toilet and run outside where he will dry himself.

Sincerely, The DOG

☐☐☐ **A father's 10 rules for dating his daughter**

Rule One: If you pull into my driveway and honk you'd better be delivering a package, because you're sure not picking anything up.

Rule Two: You do not touch my daughter in front of me. You may glance at her, so long as you do not peer at anything below her neck. If you cannot keep your eyes or hands off of my daughter's body, I will remove them.

Rule Three: I am aware that it is considered fashionable for boys of your age to wear their trousers so loosely that they appear to be falling off their hips. Please don't take this as an insult, but you and all of your friends are complete idiots. Still, I want to be fair and open minded about this issue, so I propose this compromise: You may come to the door with your underwear showing and your pants ten sizes too big, and I will not object. However, In order to ensure that your clothes do not, in fact, come off during the course of your date with my daughter, I will take my electric nail gun and fasten your trousers securely in place to your waist.

Rule Four: I'm sure you've been told that in today's world, sex without utilizing a "barrier method" of some kind can kill you. Let me elaborate: when it comes to sex, I am the barrier, and I will kill you.

Rule Five: In order for us to get to know each other, we should talk about sports, politics, and other issues of the day. Please do not do this. The only information I require from you is an indication of when you expect to have my daughter safely back at my house, and the only word I need from you on this subject is "early."

Rule Six: I have no doubt you are a popular fellow, with many opportunities to date other girls. This is fine with me as long as it is okay with my daughter. Otherwise, once you have gone out with my little girl, you will continue to date no one but her until she is finished with you. If you make her cry, I will make you cry.

Rule Seven: As you stand in my front hallway, waiting for my daughter to appear, and more than an hour goes by, do not sigh and fidget. If you want to be on time for the movie, you should not be dating. My daughter is putting on her makeup, a process that can take longer than painting the Golden Gate Bridge. Instead of just standing there, why don't you do something useful, like changing the oil in my car?

Rule Eight: The following places are not appropriate for a date with my daughter: Places where there are beds, sofas, or anything softer than a wooden stool. Places where there are no parents, policemen, or nuns within eyesight. Places where there is darkness. Places where there is dancing, holding hands, or happiness. Places where the ambient temperature is warm enough to induce my daughter to wear shorts, tank tops, midriff T-shirts, or anything other than overalls, a sweater, and a goose down parka zipped up to her throat. Movies with a strong romantic or sexual theme are to be avoided; movies which feature chain saws are okay. Hockey games are okay. Old folks homes are better.

Rule Nine: Do not lie to me. I may appear to be a potbellied, balding,

middle-aged, dimwitted has-been. But on issues relating to my daughter, I am the all-knowing, merciless god of your universe. If I ask you where you are going and with whom, you have one chance to tell me the truth, the whole truth and nothing but the truth. I have a shotgun, a shovel, and five acres behind the house. Do not trifle with me.

Rule Ten: Be afraid. Be very afraid. It takes very little for me to mistake the sound of your car in the driveway for a chopper coming in over a rice paddy outside of Hanoi. When my Agent Orange starts acting up, the voices in my head frequently tell me to clean the guns as I wait for you to bring my daughter home. As soon as you pull into the driveway you should exit your car with both hands in plain sight. Speak the perimeter password, announce in a clear voice that you have brought my daughter home safely and early, then return to your car-there is no need for you to come inside. The camouflaged face at the window is mine.

Female golfer

Three women were out golfing one day and one of them hit her ball into the woods. She went into the woods to retrieve it and found a frog in a trap.

The frog said, "If you release me from this trap, I will grant you three wishes."

The woman freed the frog and the frog said, "Thank you, but I failed to mention that there was a condition to your wishes - that whatever you wish for, your husband will get 10 times more or better!"

The woman said, "That would be okay." For her first wish she wanted to be the most beautiful woman in the world.

The frog warned her, "You do realize that this wish will also make your husband the most handsome man in the world, an Adonis, and women will flock to him."

The woman replied, "That will be okay, because I will be the most beautiful woman and he will only have eyes for me." So, poof! - she's the most beautiful woman in the world.

For her second wish, she wanted to be the richest woman in the world. Again the frog warned, "That will make your husband the richest man in the world and he will be 10 times richer than you."

The woman said, "That will be okay, because what is mine is his, and what is his is mine."

So, poof! - she's the richest woman in the world!

The frog then inquired about her third wish and she answered, "I'd like to have a 'MILD HEART ATTACK'".

Black and White

A black man talks to a white man:

When I was born I was black,

When I grew up I was black,

When I'm sick I'm black,

When I go in the sun I'm black,

When I'm cold I'm black,

When I die I'll be black.

But you:

When you're born you're pink,

When you grow up you're white,

When you're sick, you're green,

When you go in the sun you turn red,

When you're cold you turn blue,

and when you die you turn purple.

And you have the nerve to call me colored!!!

In Chicago, Illinois a woman's husband worked until late at night. She wanted to get a watch dog so she went to the pet shop.

At the pet shop she asked the clerk for a recommended watch dog. "I know just what you need", said the clerk "I will be right back" The clerk returned holding a dinky yippy dog.

"But that's not a watch dog" protested the woman. "It is as good as any. If not better. It knows

Karate". "Yeah right" replies the woman.

"Then let me demonstrate" says the clerk. "Karate the sign!" The next thing you saw was a sale sign in tiny shreds. "Karate the chair" bellowed the clerk. Wooden splinters went flying through the air and the woman was convinced. "All right I will take it" She returns home to show her husband her new watch dog.

"That's no watch dog" says the husband. "Yes it is. It knows Karate"

"Karate my ass!"
