

**Totally New and Unique: ENGLISH ALIVE! ☐ We do not sell video clips- we teach lessons alive!** We are glad to offer brand new online courses of English- real-time online distance learning!

\*\* The picture shows how distance learning-ENGLISH ALIVE functions. This amazing method puts you in the classroom at your home. :) After three years of advanced methodology research amongst the existing models of delivering online learning, Britanicca School can offer you its unique and ultimate quality courses online.

For more than 120 different courses of General English; Business; Vocational; Academic; ESP; Conversational and Skill courses; tailor-made and ESOL examination preparatory courses it is now possible to reach us wherever you are. We are beside you everywhere around the world- just one click away!

Namely, up to now, majority of the online courses in the internet market hardly can stand for that name. Generally, students purchase recorded classes of English, which allow almost no interaction between students and teachers.
